About

I'm a team player, quick learner, self-initiator, excellent problem-solving ability and good analytical skills. I have a keen interest about software development, web development, UI/UX design, photography, poetry and modern innovations, and I've been looking forward to do something in each of these field in future.

Education

- **AJAY KUMAR GARG ENGINEERING COLLEGE, GHAZIABAD**
2019 - 2023
I am currently pursuing my graduation degree in Electronics and Instrumentation from Ajay Kumar Garg Engineering College with an aggregate of 7.0 SGPA.
- **ALIGARH MUSLIM UNIVERSITY, ALIGARH**
2016 - 2018
I'd completed my Intermediate schooling from Prestigious Aligarh Muslim University, Aligarh.
- **KETAN CONVENT SCHOOL, ALIGARH**
2006 - 2016
I completed my high schooling from Ketan Convent School, Aligarh.

Experience

- **Zoop Deliveries | Product Design Intern**
May 2021 - October 2021
I worked as **Product Design intern** in Zoop Delivers, a start-up based in Gorakhpur City for a period of six months.
- **Summer Internship on Analog and Digital Circuit Implementation using NI-Multisim.**
June 2020 -(4 Weeks)
I completed this 4-week summer internship program on mentioned topic from AJAY KUMAR GARG ENGINEERING COLLEGE.
- **Bizz Buzz Marketing Agency | Graphic and Content Designer.**
October 2021 - December 2021
I started my **Graphic, UI/UX and Content Designer internship** in Bizz Buzz Marketing Agency after switching from previous internship for new opportunities and challenges for my experience & growth.

Projects
