About

I'm a team player, good problem-solving skills, quick learner, self-initiator and has keen interest about programming, web development, UI/UX designer, music and musical instruments, photography, poetry and military technologies, and I've been looking forward to do something in each of these field in future.

Education

- **AJAY KUMAR GARG ENGINEERING COLLEGE, GHAZIABAD**
2019 - 2023
I am currently pursuing my graduation degree in Electronics and Instrumentation from Ajay Kumar Garg Engineering College with an aggregate of 7.0 SGPA.
- **ALIGARH MUSLIM UNIVERSITY, ALIGARH**
2016 - 2018
I'd completed my Intermediate schooling from Prestigious Aligarh Muslim University, Aligarh with an aggregate of 53.6%.
- **KETAN CONVENT SCHOOL, ALIGARH**
2006 - 2016
I completed my high schooling from Ketan Convent School, Aligarh with an aggregate of 10 CGPA.

Experience

- **Zoop Deliveries | Product Design Intern**
May 2021 - October 2021
I worked as **Product Design intern** in Zoop Delivers, a start-up based in Gorakhpur City for a period of six months.
- **BizzBuzz Marketing Agency | Graphic and Content Designer.**
October 2021 - December 2021
I started my **Graphic, UI/UX and Content Designer** in BizzBuzz Marketing Agency after switching from previous internship for new opportunities and challenges for my experience growth.
- **Freelancing**
May 2021 - Now
I've been doing freelancing in **UI/UX and Graphic designing** from second year of my engineering.

Projects

- I am currently working on a **research paper** on UI/UX trends, designs and challenges in India.
- Design, code and hosted a fully responsive **Portfolio Website** of my own.
<http://psankur.me/MyPortfolio/>
- Design, code and hosted **Website** for a clothing Showroom.
vandanaagencies.co.in
- Various **Logos and Promotional Posters** designed for clients and college clubs.
